Fletcher Seagroves, Acting Chairman, opened the meeting by stating that the hearings are held in accordance with the Town of Milford Zoning Ordinance and the applicable New Hampshire Statutes. He continued by informing all of the procedures of the Board and stated that there were three old cases and four new cases on the agenda. He informed the public that it was unlikely they would be able to hear all cases this evening. They have a close time of 10 p.m. They will continue with a case if they are already hearing it at 10 p.m., but will not start a new case after 10 p.m. The Board had tried to arrange a special meeting for October 22, but two members could not attend on that date. Most likely any cases not heard tonight would be adjourned to the next regular meeting.

F. Seagroves read the notice of hearing into the record.

No one representing the applicant was present.

F. Seagroves read an e-mail dated October 14, 2015 from Bill Parker stating the applicant had requested that the application be withdrawn.

K. Johnson moved to accept withdrawal.

J. Dargie seconded.

All voted in favor. Case #2015-16 withdrawn.
